Dear Mr. Ward,

I am in receipt of your letter of 7th instant regarding capacity of deep tank forward as given on First Entry Report on the M.V. "AMASTRA", and with regard thereto I have to state that I have been in consultation with the Builders regarding the figure given and find that by a mistake they gave only half the tank capacity originally, so that the figure should be 280 tons.

Thanking you for writing me regarding this matter, and trusting this finds you well.

With kind regards,

Yours faithfully,

*R. Lumsden*
