Enclosure.

Dear Sirs,

M.

I duly received Mr. Langlands' letter of the 29th instant enclosing one from the Overseer for the Cunard Co., respecting the oil fuel tank of the T.S.S. "ASCANIA", and have to inform you that the contents have been noted.

In reply thereto I have to state that it is considered preferable, in the circumstances, to dispense with the bracket outside the tank altogether, and to fit a bracket inside connecting directly the horizontal girders at the ship's sides to the transverse bulkheads.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE.

P.S. The sketch forwarded with your letter is returned herewith.
