Royal Bank Buildings,
28, Constitution Street,

Leith, 29th November, 1920.

Dear Sir,

In reply to your classing letter of the 26th instant
Leith Report No. 15,864 "Lanrick", I beg to state that the
riveting in butts of sheerstrake in webs is quadruple
riveted, hand pump was fitted to drain space above fore peak
tank top as approved. Particulars of drop tests for bower
anchors will be forwarded on receipt of anchor certificates
from the owners.

I regret these particulars were not given on my
First Entry Report.

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
