19th August, 1924.

Dear Sirs,

M. FREED I am in receipt of your freeboard report No. 2075 on the S.S. "DEARNE", Messrs. Vickers Yard No. 611, and with regard thereto I have to inform you that the approved plan of Profile and Decks indicates that $3\frac{1}{2}$ " pitch pine sheathing is fitted on the Main Deck inside the Bridge, while your freeboard report makes no reference to the sheathing. I shall therefore be glad if you will state if this wood deck is fitted, and also if it is fitted at midships in way of the statutory deck mark.

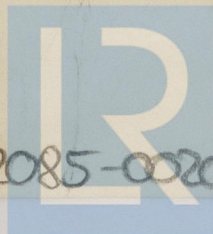

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

B A R R O W.
