NEW YORK June 29, 1920

Dear Mr. Mayne:

With reference to your undated classing letter and to Wilmington report No.92 on the steamer "CITY OF OMAHA", I enclose herewith a letter dated the 25th instant received from the Surveyors from which it will be seen that all the bulkheads are constructed in accordance with approved plans.

The watertight bulkheads which extend to shelter deck are fore and after peak bulkheads, engine room and boiler room bulkheads. Two in forward hold and one in aft hold making in all seven complete bulkheads extending to shelter deck.

Yours faithfully,

*R. P. McKim*
