## QUESTION

## ANSWER

With reference to my letter of the 24th February, which was addressed to the Owners through your port, relative to the Boiler Survey, which became due in November last, I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for this inspection to be carried out.

At the same time I shall also be glad to learn within what time the Owners propose to arrange for the vessel to be examined in drydock. (Last docking record 3,55).

Date:— 23rd April, 1956.

The above vessel has been sold for scrap and will be broken-up at Inverkeithing.
