LONDON LIGHTERAGE CLAUSE.

Charges charged by us are for conveyance only, and are exclusive of dock dues, demurrage, disbursements, or other charges. They are quoted upon the express condition that the person with whom any contract is made is either the owner or authorised agent of the owner of the goods intended to be carried, and accepts both for himself and for all other parties interested in such goods the terms and conditions herein contained. The goods are carried only at Owners' and/or Customers' risk, and loss arising from pilferage and theft of goods on board the barge whilst in course of transit, such loss or damage being limited to £20 per package and not exceeding £50 per ton. Save as aforesaid we will not be liable for any loss of or damage to goods entrusted to us for lighterage or for any loss damage or expense occasioned by any negligence, wrongful act, or default of our servants or agents, or other persons for whose acts we might otherwise be responsible, and whether or not occasioned by any delay or failure in collecting carrying or delivering the goods and although the barge for any reason may have deviated or departed from the usual route of transit with the goods and although the goods may have been loaded in the barge with other goods. We will not be liable to contribute in general average, and we are not responsible for any consequences arising from strikes, lock-outs, or other labour difficulties. We are to be at liberty to employ any lighter tug or barge or other owners or to sublet the whole or any portion of the contract, and in either event the above terms and conditions shall apply to such employment and shall be deemed to have been agreed to between the goods Owner or Customer and such other Owners or Sub-contractors.
