SHIP AND ENGINEER SURVEYORS.

Reference

The Secretary,  
London.

Dear Sir,

I beg to inform you that the Reports in respect of the Classification Surveys on the steamer "KILWA" (Ex Kiungchow) are being despatched today under separate cover. Together with these reports are four drawings namely -

- (a) General Arrangement (Longitudinal view)
- (b) General Arrangement (Plan view)
- (c) Panting arrangements in Fore Peak Tank.
- (d) General Arrangement of Boat Deck erected on after well deck.

It is regretted that the drawings relating to the Electrical Circuits as referred to in my Rpt. 9 are not yet complete owing to the tremendous amount of work which the Contractors Messrs. Mazagon Dock Ltd.

have in hand.

have

The despatch of the Reports etc., had been withheld for one week awaiting these Electrical drawings and further delay on account of these was not considered advisable.

Immediately the above mentioned electrical drawings have been completed and checked they will be forwarded.

With reference to the Machinery Report I beg to state that on receipt of your letter 25th November 1946 the preparation of 1st Entry Reports was commenced but on receipt of your letter of 6th January 1947 and after discussion with Mr. Rundle it was considered that the only First Entry Report required was the Electrical Report. 13.

I shall therefore be glad to hear in due course if my action in this matter is in order.

I am, Dear Sir,  
Yours faithfully,

note Mr Rundle wrote by air mail 2/5/47 requesting Mr Noel to complete as far as possible E.E. Rpts on hull, mch & Rls. 1 to send back plans sent Rom. 6/1/47. <sup>Mr. Miller & Mr. Young</sup> received this to be done. W.H.F.
