Dear Sirs,

Steamer "DONA LOURDES"

I am in receipt of your cablegram of the 25th instant, and would confirm my cabled reply today, reading as follows:-

"DONA LOURDES REURCAB TWENTYFIFTH VESSEL WILL BE ELIGIBLE REINSTATEMENT CLASS WHEN SPECIAL SURVEY SATISFACTORILY COMPLETED AND EQUIPMENT PLACED IN ORDER WRITING"

You will, of course, appreciate that as the ship is thirty five years old the requirements of a Special Survey (C) should be complied with, including a drilling of the structure if necessary where signs of wastage are evident.

Full particulars of the equipment on board, including weights, tests etc., of anchors and tests etc of chain cable should be furnished.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
