

T.S.S. "MASULA" and T.S.S. "MUNDRA".

Refrigerating Installation.  
-----

The refrigerating machinery for these vessels has been made by Messrs. J. & E. Hall, Ltd. of Dartford, and it has been despatched to Calcutta for installation.

The Owners have submitted a plan of the proposed insulated chambers, and they state that the insulation will be fitted in India.

They have asked their Agents, Messrs. Mackinnon, Mackenzie & Co., of Calcutta, to make the necessary application to the Society's Surveyors at that port to survey the refrigerating machinery and appliances.

IT IS SUBMITTED the plan of the proposed chambers merits approval, provided the fastenings of the insulation be to the Surveyors' satisfaction, the arrangements be as shown on the plan and the remaining requirements of the Rules for Refrigerating Machinery and Appliances be complied with,

The Calcutta Surveyor should be advised and a copy of the plan forwarded to them.

Return 1 copy of plan to Owners.  
Retain 1 copy.
