

11th February, 1948.

Dear Sirs,

H. With reference to your letter of the 13th December last respecting the Steamer "CAID ALLAL", I beg to draw attention to my communication of the 6th November addressed to your Tangiers Office and to point out that the validity of the present "Examined" notation will expire at the end of the present month. In the circumstances I shall be obliged if you will kindly let me know what arrangements are proposed to be made to have the outstanding items enumerated in my letter dealt with and entitle the vessel to full classification.

I take this opportunity to point out that the Boiler Survey will also become due at the end of the present month.

Yours faithfully,

Clerk to the  
Classification Committee.

Messrs. Union d'Entreprises Marocaines,
