Dear Sirs,

ss " CAID ALLAL "

We acknowledge with thanks your letter of the 24th. February, and are pleased to state that we were able to make a satisfactory arrangement with Mr. Guthrie and the local Surveyor in regard to the distribution of fees to be charged for the classification of this vessel. Mr. Guthrie has, we understand, already reported to you direct on this subject.

As you are probably aware, Mr. Guthrie terminated his work here on the 25th. February, but was unable to get away until Sunday the 2nd. March owing to the fact that we had a spell of very bad weather which thoroughly disorganised air services.

We are expecting Mr. Guthrie to let us have very shortly a note of his expenses and the fees to be charged in the case of the above vessel and when we receive these, the matter will be dealt with promptly.

Yours faithfully.
