71, Fenchurch Street, E.C.

29th October, 1915.

Dear Sir,

I have to acquaint you that it appears from a First Entry report received from the Society's Surveyors at Barrow that the new s.s. "GALACUM", built by Messrs. R. Williamson & Son, Workington, is proceeding to your port, where the machinery will be fitted on board by Messrs. Ross & Duncan.

To complete the survey on the hull, the engine and boiler casings require to be rivetted up, and I shall be glad if you will be so good as to arrange for the case to receive the necessary attention and for a report on Form 8 to be forwarded in due course, with a view to the classification of the vessel.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

GLASGOW.
