London, E.C.

*Shipbuilding Yard.*  
*Workington 9th Sept 1915*

Dear Sirs,

S.S.No 224.

Referring to our letter of yesterday to your Surveyor at Barrow respecting the small shortage in weight of the chains for S.S.No 224, please note that since then the vessel has been requisitioned by the Admiralty, and it is of the utmost importance to get her out as soon as possible.

Yours faithfully,

*R Williamson*
