# Lloyd's Register of Shipping,

71, Fenchurch Street, London, E.C.

Dear Sir,

With a view to the insertion in the forthcoming  
S. issue of the Register Book of the name of vessels at present under  
construction, I have to request that you will forward on Re  
as full particulars as are obtainable of vessels being built in  
your district which have been named and are likely to be completed  
say not later than the end of September next. In the event of  
having no such vessels to record you should inform me accordingly.

These particulars should be sent to this Office  
as soon as possible.

In cases of vessels already launched where the  
information has been forwarded in the usual way, it need not be  
repeated, but your returns should be added to from time to time  
other vessels are named which are likely to be finished within  
period mentioned.

I may add that in order to avoid the possibility  
errors occurring in the spelling of vessels' names, all such names  
should be written in printed characters.

I am, Dear Sir,

Yours faithfully,
