18th December, 1930.

Dear Sirs,

M.

I have to acquaint you that I am in receipt of a letter from the Society's Glasgow Office stating that the S.S. "WALLACE ROSE", built by Messrs. N.V. Scheepswerf de Merwede v/h van Vliet & Co., has arrived at that Port to have her machinery installed, and desiring to be informed of what remains to complete the Survey for classification.

I shall therefore be glad if you will be good enough to forward as soon as possible your First Entry Report on the vessel so far as completed, and to indicate clearly what remains to be done to complete the Survey on the hull for classification.

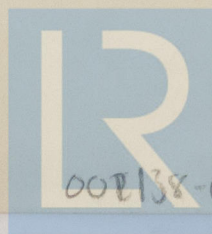

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
