16th February, 1912.

Dear Mr. Kendall,

Your letter to hand regarding the
S.S. "PATRIOTIC", Messrs. Harland & Wolff's No. 424.

We shall of course accept the
Board of Trade assignment for the purpose of the
classification 100A1 with freeboard.

I think that in addition to your
noting the particulars on the first entry report
and sending a verification form for the figures to be
entered on the classification certificate, it will be
well to report the circumstances in an official
letter to the Secretary giving the figures in order
that it may be formally dealt with for approval.

With kind regards,

Yours faithfully,

S.O. Kendall, Esq.,
BELFAST.
