

002151-002156-0152

either be clear of the load line as required by the freeboard regulations or under water pattern fitted to comply with the B.T. circular 1485.

on the s/s N 424 building by Messrs Harland & Wolff

It is submitted the freeboards given on the accompanying form being those required by the Tables merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book, subject to the particulars and dimensions now supplied being verified on the completion of the vessel.

It should be pointed out that it is understood from the profiles that the bridge will be enclosed from frame 37 forward to frame 28 aft, the poop enclosed at frame 55 aft and the fore-caste at frame 61 forward to comply with the freeboard regulations for the full allowance for these portions and the freeboard has been computed accordingly and is subject to modification if necessary on completion.
