I am in receipt of Rpt.9(12a) and Rpt.11(Contd.) on the "LADY CONNAUGHT", and with regard thereto I enclose herewith a new Load Line Certificate and copy for issue.

It is concluded the ventilator coamings 7'-6" in height on the forecastle deck are suitably supported or stayed, but I shall be glad if the Surveyors will confirm this.

I am, Dear Sir,  
Yours faithfully,
