

BOARD REPORT on the *2/5 No 459 Messrs Harland & Wolff*

It is submitted the Freeboards given on the accompanying form being those required by the Tables merit approval, *subject to the particulars and dimensions now supplied being verified on the completion of the vessel and the deck erections being closed as required for full allowance.*

*It should be pointed out that it is concluded the sheers given on the list of particulars are measured from the lowest point and have been corrected in relation to the deck at middle of length for the freeboard computation; also that the under deck tonnage furnished is British measurement and the coefficient of fineness has been computed accordingly. ~~It~~ On completion both the British and Suez tonnage should be given as usual.*
