ENCLOSURES

14th March, 1940

Dear Sirs,

P.

I beg to inform you that the Society's Surveyors at Newport carried out a survey for the renewal of the Freeboard Certificate of the steamer "GLANLEA" in October last, but new Certificates were not issued pending the completion of the Special Survey.

In view of the fact that the Committee agreed to the Special Survey being completed by the 1st July next, I have the pleasure to enclose a short term Load Line Certificate and copy for this ship, valid until the 31st July 1940, to cover the period of extension.
