The Nominal Horse Power for regulating survey fees on engines and boilers to be determined as described in Section 29.
For the survey and testing of Steam Boilers fitted in Diesel Engined Vessels additional fees will be charged in accordance with the
Society's usual scale.

For the survey and testing of each Vertical Donkey Boiler, a fee of four guineas will be charged.

Entry Fees as per Section 28 are additional to the above charges.

In exceptional cases an additional charge will be made according to the service performed, and in all cases where travelling
expenses are incurred by the Surveyors in connexion with the above services, they are to be defrayed by the parties interested.

In no case can the ship be classed until all fees, travelling expenses, &c., due thereon are paid.

This request is made upon the terms of the Rules and Regulations of Lloyd's Register of Shipping,
which provide that:—

While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be
understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy
in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the
Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society.
