## INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

### RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) Curacao, N.W.I.

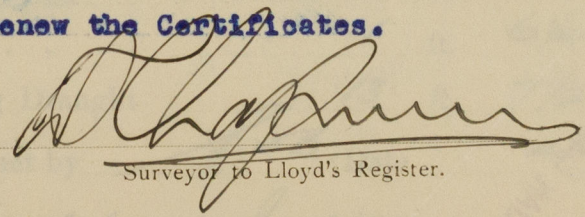

(Date) November 23rd, 1942.

I have to report that I have surveyed the T.S.S.  
"MARTICA" of Willemstad O.N. 3465  
on this date.

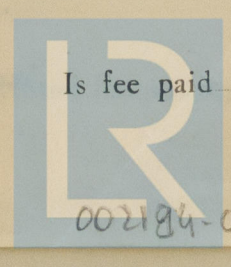

I have compared the arrangements on board the ship with  
those given in the original freeboard report and I have found them to be  
in agreement therewith or equivalent thereto, and the whole to be in efficient  
condition.

**The vessel examined in Drydock and the Special  
Survey 2nd No.1 held at this time.**

The freeboard marking has been verified and found to agree  
**originally**  
with the freeboards given on ~~certificates No. 1 and 2 dated~~  
~~1941 and 1942~~ and the Harbourmaster has been notified  
order that he may endorse or renew the Certificates.

  
Surveyor to Lloyd's Register.

Fee **Fls:60.00**
