12th., April, 1906.

Gentlemen,

It appears from a report received from the Society's Surveyors at Glasgow that a donkey boiler built by Messrs. Cochran & Co., and marked as under has been forwarded to the Eriksberg Mek. Vaerksted of your port. I shall therefore be glad if you will let me know whether this boiler is intended to be fitted on a classed vessel, in which case the report will be forwarded to you for your information.
