## INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

### RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) ALEXANDRIA

(Date) 4th. December, 1943

I have to report that I have surveyed the Twin Screw Motorer  
Vessel "ARMILLA" of Willemstad O.N. ✓  
on this date.

I have compared the arrangements on board the ship with  
Art. 14 of the Convention  
those given in the original instructions and I have found them to be  
in agreement therewith or equivalent thereto, and the whole to be in efficient  
condition.

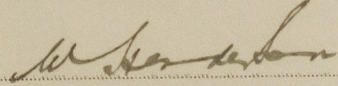

#### Repairs now effected.

38 wood plugs for ventilators renewed.  
Locks fitted on for'd companionway doors.  
Guard rails overhauled and made good.

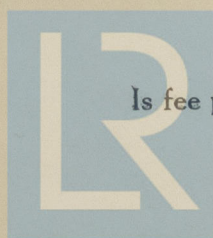

A General Examination has now been completed and the vessel is  
recommended to have notation of "EXAMINED 12.43" (12 months)

The freeboard marking has been verified and found to agree  
with the freeboards given on certificate No. 1284 dated 11th. November, 1938  
which is recommended hereon issued at the Hague .

Certificates on board endorsed for a further period of 12 months  
ending 4th. December, 1944.
