Dear Sir,

m.v. "ARMILLA".
Your reference H. & F.

Further to our letter of the 22nd ultimo respecting outstanding surveys on this vessel, we would advise you that a cable has to-day been received from Suez stating the special general examination and freeboard renewal survey have been completed. From earlier advices it appeared that the vessel was programmed for drydocking and although no special mention has been made of this in the cable we consider the opportunity has been taken to examine the vessel in drydock.

Trusting confirmation of the above will be received from your surveyor in due course.

Yours faithfully,

THE ANGLO-SAXON PETROLEUM CO. LTD.
