LONDON, E.C.3.  
11th November, 1943.

Dear Sir,

This is to advise you that we have to-day cabled our Superintendent at Suez requesting him to carry out special general examinations, in lieu of special surveys on the m.v's "ARMILLA", "MURENA", "PETRONELLA", "LIONA" and "VOLSHILLA" before the end of the present year.

In the case of the m.v's "ARMILLA" and "MURENA", which are under Dutch Registry, we have given instructions that the renewal load line report should be presented to the Consul at the port concerned and we are receiving the necessary authorization from the Netherlands Government here to extend the present certificates for a further period coinciding with the extension of class.

We are,

Yours faithfully,

THE ANGLO-SAXON PETROLEUM CO. LTD.
