28th October, 1938.

Rpt.C11 and 2 certs. enclosed.

Dear Sirs,

F.

I have to inform you I am advised by The Anglo Saxon Petroleum Co., Ltd., of this City that the m.s. "HELIX" is being transferred from the French Flag to British Registry at your port and British Load Line Certificates will therefore require to be issued to the vessel.

I shall therefore be glad if you will carry out an Annual Load Line Survey and verify the freeboards, and the Rpt.C11 is enclosed for your guidance in the survey.

A British Load Line Certificate and copy are also sent for issue when the survey has been completed, and the French Certificates should be returned to this Office for cancellation.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

ROTTERDAM.

Assistant Secretary.
