Enclosure.

7th June 1934.

Dear Sirs,

I have to acquaint you I am advised by Messrs. The Anglo-Saxon Petroleum Co.Ld., of this City, that the Motorship "HELIX" is due to arrive at Marseilles on Monday next the 11th instant when she will be transferred to the French flag. The new Owners will be Soc. Anon. Francaise des Petroles Shell, 46 Boulevard St. Saens, Algiers, and the Port of Registry Algiers.

I shall therefore be glad if you will arrange for the freeboard marking to be amended in accordance with the enclosed memorandum and forward a verification of marking form with a view to the issue of fresh certificates.

The Anglo-Saxon Petroleum Company add that they have not yet received any intimation as to the vessel's name being changed and in this connexion I shall be glad if you will advise me should you receive any information in regard to this matter. You should return the old certificate and copy for cancellation and if necessary issue a provisional certificate on form report 10, pending the arrival of the new certificates.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
MARSEILLES.
