Dear Sir,

INTERNATIONAL LOADLINE CONVENTION.

m.v. "HELIX".

We understand from the Master of this vessel that the examination of the vessel in connection with the above Convention, which was to have been carried ^{out} at Drapetzona, was not completed, as owing to incessant rain and a southerly swell, it was not possible to accurately measure the sheers.

We now beg to advise you that the vessel is due at Naples to discharge, on or about April 4th next, and would be pleased if you will instruct your Surveyors at that port to complete the examination if circumstances permit.

We are,
Yours truly,

THE ANGLO-SAXON PETROLEUM CO. LTD.
