MERCHANT SHIPPING (SAFETY AND LOAD LINE CONVENTIONS) ACT, 1932.

RENEWAL SURVEY IN ACCORDANCE WITH SECTION 48 (4) OF THE ABOVE ACT.

(Port) of Rotterdam.

(Date) 8th of December 1937.

I have to report that I have surveyed the Dutch steel motor vessel "BOSCHPONTEIN" of 's-Gravenhage O.N. _____ on this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The special survey No.2 has been completed concurrently with the freeboard survey and the vessel will be recommended to remain as classed with fresh record of survey 12-37 and notation for s.s. No2-37.

The original freeboard certificates have been transmitted to the Dutch Authorities for extension by them until the end of the year of grace allowed for the next Special survey ultimo October, 1941.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. _____ dated _____ ~~which is recorded on board~~ issued by the Dutch Authorities
