Machinefabriek & Scheepswerf van P. Smit Jr.,

Rotterdam 14th October, 1927.

Dear Sirs,

S.S. "NIEUWKERK" No. 418.

We enclose herewith blueprint showing the position of tonnage well on the above vessel.

We should esteem it a favour if you would kindly let us have your opinion whether the situation of the tonnage opening as indicated on the drawing complies with the British Tonnage Regulations in such a manner as to entitle the tween deck space between Decks "E" and "F" to exemption from measurement.

Trusting to be favoured with your prompt attention in this matter,

We are, Dear Sirs,

Yours faithfully,
For Messrs. P. Smit Jr.,

sgd. J.B. Giljam,

Managing Director.
