Enclosure.

28th August, 1928.

Dear Sirs,

I have to send herewith for your information and guidance in completing the survey, the London first entry report on the refrigerating machine built by Messrs. J. & E. Hall, Ltd., for the steamer "NIEUWKERK", Messrs. P. Smit's No. 418 vessel, and shall be glad if you will kindly give the case the necessary attention.

The proportion of the fee due for the survey of the machine during construction at the makers' works is £3.0.0, in addition to expenses of 18s.5d., and these amounts should be included in your account on completion of the survey.

I may add that the Special Survey Request Form for this installation does not yet appear to have been received, and I shall accordingly be glad if you will kindly forward the same to this Office.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
