Dear Sirs,

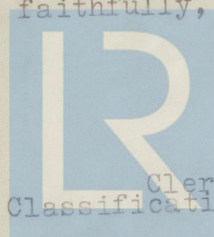

Motorship "BRITISH RESPECT"

AH/CB

Information has been received that this ship has been sold to the British Iron & Steel Corporation Ltd., for breaking up, and that she left Barry for Barrow-in-Furness on the 10th instant, where it is understood the demolition is to take place.

In these circumstances the Committee have given instructions for the notation "To be broken up" to be inserted against the vessel's name in the Register Book.

Yours faithfully,
