Dear Sir,

M.S. "BRITISH RESPECT"

We refer to your letter of the 22nd October, 1958 addressed to Messrs. BP Tanker Co., Ltd., a copy of which was forwarded to this office for our information.

For your information we would advise you that this ship left Barry on the 10th June for Barrow-in-Furness, having been sold to the British Iron & Steel Corporation Ltd., presumably for breaking up purposes.

Yours faithfully,
The Surveyors,
per:-

Randa J. Hendry

The Secretary,
LONDON.
