QUESTION

ANSWER

With reference to your memorandum of the 23rd August, it is concluded that this vessel is still laid up but I will be glad if you will confirm that this is so.

It will be noted that the vessel will become due for special Survey at the end of next month and the Owners should be notified accordingly.

Date:— 21st. December 1955

Vessel is still laid up at this port. Owners are now hoping to sell vessel and if sold, it is intended to carry out all surveys. If they are not successful in selling vessel for further service she will be sold for scrap. We will advise you as soon as a decision is arrived at.
