29th September, 1947.

Dear Sir,

M.V. "FOZ DO DOURO".

This vessel is at present under survey for the completion of the Special Survey and the examination of the Screwshafts.

The Owners inform us that as the sails of this vessel are never used, it is their intention to remove all topmasts and yards with the exception of the main and crossjack-yards for cargo handling purposes.

We shall be glad if you will kindly forward new Load Line Certificates for this vessel as a steamer and make necessary alterations in the Class Certificates.

Yours faithfully,

(SGD) JOHN GUTHRIE.

The Secretary,
LONDON.

*Submitted the Load Line certificate request
with Steamer particulars (see assignment dated 18.4.46) be
sent to the his Hon. Secretary for approval by the
authorities & issue when the particulars have been
marked verified & all sails have been removed. as
now proposed.*
