

19 MAY 1943

Lloyd's Register of Shipping.

INTERNATIONAL CONVENTION 1930 RESPECTING LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH ART. 14 OF THE CONVENTION.

(Port) Baltimore, Maryland

(Date) 26th February, 1943

I have to report that I have surveyed the Sailing Barque

"FOZ do DOURO" of Oporto O.N. -
(ex "ABRAHAM HYDBERG")
this date.

I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The 4th Special Survey No. 3 has been carried out at this time and a notation of S.S. Bal.4thNo.3-2,43 has been recommended.

The freeboard marking has been verified and found to agree with the freeboards given on Swedish certificate No. - dated 17th August, 1939 which is returned herewith.

J. Buchanan
Surveyor to Lloyd's Register.
