

COPY for S dept.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

Two copies of computation
and 4 certs. enclosed.

11th April, 1946.

Dear Sirs,

F.

I have to acknowledge the receipt of your cable of the 9th instant respecting the "FOZ DO DOURO", and now enclose a fresh set of Load Line Certificates for this vessel for issue when the usual particulars have been inserted, details of which should be forwarded to this Office, and subject to all sails being removed as now proposed.

Two copies of the freeboard computation as a steamer are enclosed for approval of the assignment by the Portuguese Authorities.

In view of the impending reprinting of the Register Book, I shall be glad if you will advise this Office by cable immediately all sail has been removed, in order that the ship may be recorded under "Steamers and Motorships" only.

I shall be glad if you will collect the sum of £1.18.0 from the Owners, the cost of my messages to the Society's New York Office and yourselves, and credit the amount to this Office.

Yours faithfully,

The Surveyors,
LISBON.
