Dear Sirs,

I have to acknowledge the receipt of your letter of the 28th ultimo respecting the Motorship "FOZ DO DOURO", from which it is noted that arrangements will be made for the Donkey Boiler Survey and Special Survey in this case to be dealt with on the vessel's return to Lisbon from her present voyage to Central America. In the circumstances the Committee are agreeable to the surveys in question being postponed for the present, and I shall be glad if you will inform the Owners accordingly.

Yours faithfully,
