Dear Sir,

"Foz do Douro" Sailing Vessel.

One of our Clients has received a statement from Shippers by the above vessel in New York to the effect that "she has recently been turned into a motor ship", and shall be much obliged if you will let us know if you have any information on this point.

The entry in the Register still shows the vessel as a sailing ship without even an auxiliary engine, but it is of course possible that you may have received information which is in course of being posted in the Register.

Yours faithfully,

*W. H. Robinson*
