Dear Sirs,

With reference to my letter of the 6th instant regarding the motorship "FOZ DO DOURO", I have to acquaint you that the question of the entry of this vessel in the Society's Register Book received the consideration of the General Committee at their meeting yesterday, who decided that although the vessel has alternative means of propulsion with ample sufficiency in either, she could not be regarded and entered purely as a motorship in the Steamer Section and as a sailing vessel in the Sailing Ship Register without the word "auxiliary" being entered in each Section and with an appropriate cross reference.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
LISBON.
