Under date of the 6th February a communication has reached us from representatives in Lisbon reading as follows:-

"Now regarding the "FOZ DO DOURO" we were informed that after the fitting of Diesel engines her Owners claimed her to be a fully powered vessel and that steps had been taken to have her classified as such by Lloyd's Register of Shipping.

We would appreciate your making enquiries and thereafter advise us."

If you can assist us herein relative to the classification of the above vessel we shall be very appreciative of such aid.
