Dear Sirs,

S.

I am in receipt of Mr. Austin's letter of the 15th instant, with reference to the new steamer "KENT", and in reply I have to say that taking the total Shaft Horse Power at full power to be 4,500, the Nominal Horse Power for Fees would be 973.

The amount of fees chargeable on this Horse Power would be £68.13.0. (not £67.13.0.), in addition to an Entry Fee of £3.0.0. and you should amend your account accordingly.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
NEWCASTLE.
