Dear Sir,

We have to acknowledge receipt of your letter of the 27th instant regarding the case of the Steamer "MAYDENE", and have to confirm that this vessel has now arrived in the Tyne and is at present alongside Messrs. C. W. Dorkin & Co's wharf at Redheugh.

Demolition has not yet commenced and we have endeavoured to obtain some definite information on this point. No date however can yet be given as to when demolition will commence but it is expected that it will be within the next month.

Yours faithfully,
