Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

21st March 1917

Dear Sirs,

M.

I have to acquaint you that it appears from the First Entry Report received from the Society's Surveyors at Hull that the new S.S. "LITHIUM", built by Messrs. Cochrane & Sons, is proceeding to your port, where the engines and boilers are to be placed on board, and that, to complete the survey, the engine and boiler casings require to be completed and riveted up.

I shall therefore be glad if you will be so good as to give the case the necessary attention, reporting thereon in due course with a view to the classification of the vessel.

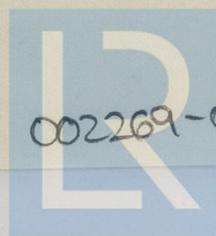

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE.
