QUESTION.

ANSWER.

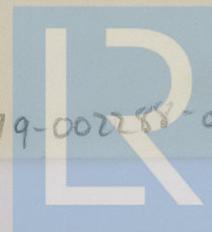

With reference to the entries which have appeared from time to time in your returns of vessels under survey, I shall be glad to learn how this case now stands.

LRP

Date:— April 4th, 1942.

To complete the survey, equipment to be supplied or tested, alterations to the pumping arrangements in the engine room to be completed and particulars of auxiliary engine crank shaft and air vessels to be furnished. These items are now being attended to. Reports on this case are being dispatched today.
