Dear Sirs,

Steamer "MINOCHER COWASJEE"

With reference to the correspondence that has already taken place between us in this case, the Committee learned with great regret at their Meeting this afternoon of the fact that there is still no news of this ship and following their practice in past similar cases they have given instructions for a notation of "Missing since 1,57" to be inserted against her name in the Society's Register Book.

Yours faithfully,

Clerk to the  
Classification Committee.
