Dear Mr. McAuslan,

I am in receipt of your letter of yesterday's date regarding the freeboard for Messrs. Irvines S.S.No.586, and note that the vessel is being completed without a tonnage opening.

We have only a very rough computation for this vessel, which would be of little use to you. I therefore suggest that you forward the necessary particulars on form 11c, and we will complete the computation in this Office.

With kind regards,

Yours faithfully,

Wd.
