

Lloyd's Register of Shipping,

Central Buildings, West Hartlepool.

3rd. October 1921

Dear Mr. Watt,

I shall feel obliged if you will be good enough to send me a copy of the freeboard report of Messrs Irvines S/S No. 586.

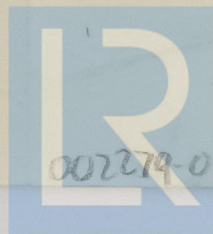

This vessel is now nearing completion & it has been definitely settled to close up the tonnage opening aft in the shelter deck in order to obtain the increased draft.

With kindest regards,

Yours faithfully,

D. M. Ainslie.

W. Watt Esq.
